

Programme

Crowne Plaza Hotel, Heythrop Park, Oxfordshire

Monday 05 June, 2017

- 09.30** **Registration opens**
- 11.30** **Rolling Buffet Luncheon (Ballroom)**
- 12.45** **Conference opens with Welcome from ICIC Committee Representatives: Chris Dunn of Kennedys and Graham Smith of Lloyd's Agency Department.**
- 13.00** **Session 1: ICIC v.z.w. Welcomes our keynote speaker**
Dame Inga Beale DBE, CEO, Lloyd's of London
- 13.30** **Session 2: "Jaw Jaw – Not War War!"**
Exploring the barriers to greater co-operation in the midst of a casualty and what might be done to improve co-operation between ship and cargo interests. The discussion will also look at how greater use of the Early Intervention process might assist in reaching an earlier and better-informed settlement.
Panellists:
Stephen Chapman Ltd, Ascot Underwriting
Matthew Moore, North of England P&I
Andrew Green, XL Catlin
Moderator : James Wilson, SeaMediation Chambers
- 14.30** **Session 3: "Bulk Cargo Shipments - Managing Risks and Loss Control Measures from a Risk Manager's perspective"**
John Perera, LLB (Hons), MBA,DMS, AM (Dip), FBACS, MILT, F Inst FP, JP Marine Consultancy Ltd
The presentation will aim to address how to manage risks and loss control measures relating to sensitive bulk cargoes from a Risk manager's perspective, from establishing the suitability of ships for loading bulk to final destination. Also highlighted will be the analysis of risk on sensitive organic commodities such as rice, sugar and grains to choosing the right Survey or Inspection Company to manage quality and quantity during shipment, care in storage and in transit to tips on loss control measures with particular emphasis on shortages, short landing at destination and wet damage.
- 15.00** **Refreshment Break**
- 15.15** **Session 4: "The Cargo Market. Can we get it up?"**
Andrew Corton, Divisional Director: Cargo, Ironshore International Ltd
Mike Roderick, Partner, Clyde & Co
This presentation will contain a forthright view on the state of the cargo market as it is today.
- 16.15** **Session 5 : "Recent Trends in Marine Cargo Insurance Law in the United States"**
Steve Rible, Partner, Mendes & Mount LLP, New York
This presentation will cover many topics including recent U.S. Marine Insurance Court Decisions, new Marine Cargo Clauses, Cargo Owner's Liability, Landing and Warehousing and various insurance issues relating to the USA.
- 16.45** **Session 6: "Dining with the fish - a Project Cargo Case Study" (Marine Surveyors perspective)**
John Cupitt, National Manager – Marine, McLarens
A Project Cargo Case Study with many unique challenges, for the world's largest underwater restaurant in the Hurawalhi Island Resort & Spa, Maldives. Completed and opened to the public in late 2016, this was a world-first project. The underwater restaurant below the surface of the Indian Ocean appropriately named '5.8 Undersea Restaurant' - located 5.8 meters below the surface.
- 17.15** **Close of first day ICIC Committee Representatives: Trevor McGarry, Willis Towers Watson & Chris Dunn, Kennedys**

Programme

Tuesday 06 June, 2017

- 07.30** **Rolling Buffet Breakfast (Ballroom)**
- 09.15** **Introduction and housekeeping from ICIC Committee Representatives: Steve Smyth of Beazley and Deborah Finch, IUA**
- 09.30** **Session 7: The London C.A.R.G.O. Market**
Dave Matcham, CEO, IUA of London
- 10.00** **Session 8: "Update from IUMI – how does this affect the Cargo Market?"**
Donald Harrell, Head of International Insurance and Global Head of Marine, Aspen Insurance, London UK.
The International Union of Marine Insurance (IUMI) is a professional body run by and for its members. This session will highlight how the representation of national and international marine interests affect the worldwide marine insurance industry.
- 10.20** **Session 9: Take the Panic out of a Crisis**
Dean Attwell, CEO and Co-Founder, Oakland International Ltd
Dean's presentation highlights Distressed Load Management services in mitigating the loss and inconvenience caused by distressed loads and cover how handling non-compliant cargo can achieve a high recovery rate. Supply chain integrity, through a new Oakland innovation being offered en-route from main ports of entry, will also be covered in this presentation.
- Clandestine Migration**
John Jackson, MD, CWH Europe
John's presentation will investigate the concept of clandestine or illegal migration which dates back to the 1930s but only became prominent during the 1980s and 1990s. In reflecting on specific conditions that determine clandestine migration, this presentation highlights a phenomenon which is a social construct of the 21st century.
- 11.00** **NEWSBITE! Followed by Refreshment Break**
- 11.20** **Session 10: "How to rob a Gold Mine" - The Latin American experience!"**
Stephen Watters, Managing Director, Stephen Watters International Adjusting Services, Mexico Office
The risks associated with the storage of precious metals at the mine site, and their subsequent transportation.
- 11.50** **Session 11: "What did Intelligence ever do for me?"**
Jim Mainstone, Head of Intelligence, Gray Page
This presentation will examine what 'Intelligence' is and whether it is of use to cargo insurers. It will analyse current threats and case studies to suggest who might need Intelligence, and who might not.
- 12.20** **Session 12: "What would you put into Room 101 from the world of International Marine Cargo?"**
Panel session to comprise of industry veterans and U35's
Moderator: Jonathan Eaton, Global Product Leader Cargo, XL Catlin
Panellists to include:
Karen Rzeszutko, Assistant Vice President, Professional Liability Claims, Roanoke Claims Services
Tiina Ruhlandt Medel, President, EIMC
Jacqueline Nolan, Claims Specialist, CNA
The title is inspired by the torture room, in the novel "Nineteen Eighty-Four" by George Orwell, where prisoners are subjected to their own worst nightmare or phobia. Orwell named it after a meeting room in Broadcasting House where, whilst working for the BBC, he would often have to sit through tedious meetings. Room 101 is a BBC comedy television series, in which celebrities are invited to discuss their pet hates and persuade the host to consign those hates to oblivion in Room 101.
- 13.30** **Housekeeping updates from ICIC Committee Representative Graham Smith**
Adjourn for lunch (Ballroom)
- 14.45** **Session 13: "Welcome to the Hanjin California"**
Frazer Hunt, Partner, Mills Oakley, Australia
Cargo Insurance and Insolvency – The impact of recent shipping line insolvencies on the stakeholders, including marine insurers, and the lessons learnt.
- 15.15** **Session 14: "Confronting Pharmaceutical Cargo Claims"**
Capt. Ivo Knobloch, VP, Hull & Machinery, CSL Global North America
With annual revenues of over US \$1 Trillion, the Pharmaceutical Industry claims yearly non-cold chain as well as cold chain related losses of about US \$50 Billion, while also facing a dramatic loss of reputation. With average shipment values in excess of US \$700,000, the presentation will provide up to date hands-on field experience covering the latest risk assessments and loss prevention measurements in Pharmaceutical Ocean, Air and Road Transportation as well as warehouse storage and further, provide a brief intro into pertinent Pharmaceutical Shipment Acceptance Guidelines frequently resulting in rejection claims.
- 15.45** **Refreshment Break**

Programme

Tuesday 06 June, 2017 *(continued)*

- 16.00 **Session 15: "Implications of BREXIT"**
Deborah Newberry, Head of Public Affairs, Kennedys
